WATER FILTERS

We are offering different types of water filters to solve your water quality problems

The municipal water due to the old pipe system of the City is full of sand, small stones and other materials that stay in the bottom of the water reservoir. As a result of the above, it is forming an ideal media for the growth of fungus, bacteria and at the same time is destroying the water pump and blocking the house pipes and taps.

It would be a pleasure to meet you and discuss your water concerns and ways to improve the quality of your water.

For more Information please call:

Tony Linos
PLASTEX Lda

Tel: 21 46 05 46 / 46 11 39

House Share : Renting a nice size bedroom with view of the garden, private bath, lots of closet space, maid and laundry service, large garden, internet, water included, SAT TV, swimming pool, and tennis courts in a quiet, secured complex. Both living room and dining room have glass sliding doors leading out to the garden. Comfortable kitchen for cooking, 2 refrigerators and plenty of cupboards.

Activities offered on the complex: pleasant and secure space for walking or jogging, yoga, Pilates, and water aerobics. Male or female. Must like dogs. Cost: \$1,000/month all the above included. Available August 1, 2009. Email: trstuart@hotmail.com

Event Plan is now running Pancho Guedes Tours. The tours will be run on a daily basis at 10h00 and 14h00 including Saturdays and Sunday. For those who do not know who Pancho Guedes is:

Amancio d'Alpoim Miranda Guedes is an architect, a sculptor, a painter, and many other things. He is known familiarly to many people as Pancho Guedes. He was born in Portugal in 1925 and spent most of his very creative life in Mozambique, where he made more than 500 designs for buildings. He was the sponsor for Malangatana designing a house for him. He is still very active, working in Portugal now, inventing new buildings, painting and sculpting out a home on a steep hillside near Sintra in Portugal. Minimum booking 6 pax. For more info please email noleen@eventplanmozambique.com or jane.flood@gmail.com or Mob : Noleen 82 305 4621.

Digital Photography Workshop by Maimuna Adam

Introduction

The *Digital Photography Workshop* consists of a three-hour session which is available to anyone that wants to understand how to make the most of their digital cameras. No prior knowledge of photography is necessary, open to beginners and intermediates of all ages.

This workshop was first held in Maputo in July 2008 with participants of all ages with different motivations for taking photographs. The aim of the workshop is to empower photographers, whether it is parents, amateur photographers or artists, to take better photographs with their existing camera, whether it is a cameraphone or a digital SLR.

The workshop consists of a presentation which will introduce participants to different types of photography through specific visual examples. The presentation will also deal with what one must look out for when using a digital camera, including an explanation of resolution and how it affects the photographic image. The specifics of a digital camera, such as terms and a basic introduction to advanced manual controls (F-stops and shutter speeds), as well as digital image formats (JPG, TIF) will be looked at and discussed.

The workshop will then move to its practical component where participants are taught the importance of light reflection and diffusion and shown how to use common household items to improve the quality of their photographs. Participants will be given the opportunity to take photographs of their surroundings with the different techniques and tools given and will be assisted on a one-on-one basis for the remainder of the practical.

Requirements to participate in a workshop

Participants are expected to be available for a three-hour session, and to have access to a digital camera that they must bring with them, along with a fully charged camera battery and spare battery if possible. Zoom lenses and tripods are optional.

Groups are held to a maximum of 10 people in order to ensure personal assistance during the practical section of the workshop.

The workshop is mobile and can be held almost anywhere as long as there is a table and seating area and access to electricity for the presentation part of the workshop. Participants are asked to organise their own refreshments.

The workshops are offered in Portuguese and English.

Cost per person: 1,000.00 Mtn

For more information about booking your friends, family, employees and co-workers for the *Digital Photography Workshops* please contact: maimunaadam@yahoo.com.

Av. Vladimir Lenine - Nº 461 - 1º Andar, Maputo - Moçambique

Columbanus is pleased to present a Motivational Workshop at the Hotel Avenida on the 3rd June 2009. The Workshop will run from 09.00 to 17.00 and will be presented, in Portuguese, by **Nuno Cardoso**. *“Success or Failure does not depend on the circumstances, but on our attitude. Learn to motivate yourself to overcome difficulties and obstacles. Be able to motivate others, so together you can overcome the effects of any forthcoming crisis”*. This is an excellent Motivational Workshop, which will uplift Participants and really help Participants to “change their mindset”. We have already run this Workshop for various large companies in Maputo and, to date, it has been very successful.

The Workshop will cover the following:

- Motivation – Definition of the Concepts - · Positive Mental Attitude - · Self Motivation exercises
- Keys to Success - · Entrepreneurship Skills

Certificates of Participation will be issued after the Workshop

The Workshop will be presented by Nuno Cardoso. Nuno has a vast amount of experience in the areas of Training, Marketing and Human Resources. Nuno has worked in Portugal for the past 20 years, in Training, Marketing and Sales for many of the top “Blue Chip” companies. Nuno is now focusing on Consulting and Motivational Training for the “Blue Chip” companies in Mozambique.

The cost of the half day Workshop at the Hotel Avenida is \$250, plus IVA. Companies have already made reservations for this Workshop, so it is advisable to reserve a place before 31 May 2009. The numbers on the Workshop will be limited to 30 and Columbanus Courses are normally fully subscribed. . To reserve a place on the course, or for more information on the course, contact Stephanie Walker on 84-3024370, or Cristina Quirino on 84 3998815, or e-mail, swalker@teledata.mz.
