Maputo Holiday Scheme August 4-8 and 11-15 August 2008

Introduction and the programme

Welcome to the first ever Maputo Holiday Scheme for children aged between 7 and 14. The philosophy behind the scheme is to provide children with a happy and fun environment in which to discover new talents, share their existing skills and make new friends. The activities have been designed to cater for all tastes and abilities with a mix of sports, art, music and dance with a few surprises thrown in. A highly experienced team of professionals are looking forward to working with your children to help them enjoy their time in a safe and supportive setting; budding artists will be encouraged to design their own tee-shirts and learn more about Mozambican art in the local museums; musicians will learn from a well known local percussionist and compose and perform their own piece; dancers will learn new steps and choreograph a show and the sportspeople amongst the group will be able to learn new skills. In addition, short trips are being offered to give children a chance to enjoy Maputo and its environment. Nothing is compulsory, though everyone will be encouraged to try something new.

Every Friday afternoon there will be a party where the children will entertain the group by putting on a show. Parents are welcomed to come and cheer on their budding protégés performing. A camp award system will be introduced so that everyone can be rewarded for their efforts. This system works well in encouraging participation and a sense of achievement for their accomplishments.

With a ratio of 1 staff member to every 8 children, there is a commitment to ensuring that whatever their age or ability, all children get a chance to participate and have some fun. A maximum of 50 children will be taken to ensure that they get the undivided attention of the staff team.

Booking details and costs: Parents are asked to complete the attached booking form and return it to Danny Amoaten, Coordinator by no later than Friday 18th July. The fee per week is US\$100 per child. This covers the costs of all activities but does not include lunch. A 50% deposit will need to be paid before the booking can be confirmed with the balance due before the child can participate. Children can either book for one week or two weeks. Unfortunately it is not possible to book on a day by day basis because many of the activities are designed to culminate in a performance.

Thank you for your interest in this scheme and we very much look forward to having fun with your children. Danny and the team
